Dear Ms. Dortch:

Northeast Nebraska Telephone Company (NNTC) hereby submits this Expression of Interest in the above-referenced proceeding. NNTC is a rural local exchange carrier serving in rural areas of Nebraska.

NNTC proposes to offer broadband Internet service as part of the rural broadband experiments in the following census tracts as identified by the Wireline Competition Bureau in its Public Notice released on February 6, 2014:

Holt County, NE	31089974000
Holt County, NE	31089974100
Holt County, NE	31089974200
Holt County, NE	31089974300
Saunders County, NE	31155968100
Saunders County, NE	31155968200
Saunders County, NE	31155968300
Saunders County, NE	31155968400
Saunders County, NE	31155968500

NNTC will identify specific unserved census tract numbers it proposes to serve in the formal proposal stage should NNTC elect to participate in such process.

NNTC has the capability to provide broadband and voice services via both fiber and fixed wireless solutions, dependent on the available funding levels.

NNTC may be interested in participating in the FCC's rural broadband experiments, subject to a more comprehensive understanding of the terms and conditions of the program. NNTC's participation in the FCC's rural broadband experiment in the identified service area(s) will be contingent on sufficient and predictable one time and/or recurring support to economically serve the identified areas.
